This event is made possible by:

Would you like to have a say in the way our neighbourhood develops?

The Elephant & Walworth Neighbourhood Forum has been busy since its first conference. At our second conference on 4 July we will be making important decisions on the boundary of our proposed neighbourhood plan area. The map overleaf shows our existing boundary (the circle) and the Council's proposed boundary (in colour)*. We will also be discussing the work we have done on Green infrastructure, Community Assets, Small/ethnic businesses in preparation for a Neighbourhood Plan**.

We need everyone's views!

The event will be facilitated by our consultant, Tony Burton, who is a leading authority nationally on neighbourhood planning.
